Operators

- Use a space before and after assignment operators
  - $foo = bar \textcolor{green}{\text{good}}$
  - $foo=$bar \textcolor{red}{\text{bad}}

- Do not use a space when incrementing or decrementing in calculations
  - Left ( Table::fieldName ; \text{Length} ( Table::fieldName ) -1 ) \textcolor{green}{\text{good}}
  - Left ( Table::fieldName ; \text{Length} ( Table::fieldName ) - 1 ) \textcolor{red}{\text{bad}}

- Preferred comparisons
  - over <>
  - over >=
  - over <=
